A Tearfund Christmas Appeal

Break the cycle of poverty

All around the world, people are living in extreme poverty. This Christmas, your church can break the cycle and help families thrive.

Family film fun

Show a festive family film in your church hall or auditorium: it's easy to organise and guaranteed fun for all! This is a great event to invite families from your local community to. Don't forget the hot chocolate - and the more marshmallows, the merrier!

Bring in the new year... on your bike

Break the cycle of poverty by getting on your bike (get it?)! Start 2025 with a bang by setting up an indoor bike in your church building and getting people to sign up for a cycling slot: how long can you - collectively - cycle? You can go the distance together!

Christmas coffee morning

Are there any secret Star Bakers in your congregation? Invite them to share their talents at a festive coffee morning at your church in the lead-up to Christmas. People love a sweet treat this time of year, and it's a great opportunity to gather folks together!

Whatever you decide, we're on your team and ready to support you and your church every step of the way as you help break the cycle of poverty and enable families around the world to thrive, this Christmas and beyond.
